

Instructions

1. Read and fill out the UK/Worldwide RMA form.
2. Include fault information.
3. Fax or include form with the package.

Please follow these packing and shipping instructions.

- ***Required Packaging Steps for RMA shipments:***

1. All products require stable and sufficient packing material in order to protect the product from possible damage during transport.
2. Ship the package to the following address:

Returns Department
Dataman Programmers Ltd
Unit 2 Newton Hall
Dorchester Road
Maiden Newton
Dorset DT2 0BD
United Kingdom

3. Use a traceable shipping method to provide you with a tracking number and proof of delivery. The shipping cost of returning the product is your responsibility.
4. If you have any questions, please contact Dataman.
 - a. Phone: **+44 (0) 1300 320719**
 - b. Fax: **+44 (0) 1300 321012**
 - c. Email: **support@dataman.com**
